   (iii) sound administrative and organising ability;

   (iv) good communication and supervisory skills; and

   (v) strong interpersonal and managerial skills

B. Candidates should be computer literate.
NOTE:

1. The onus for the submission of equivalence of qualification and recognition of institution (if applicable) from the relevant authorities (Tertiary Education Commission or Mauritius Qualifications Authority) rests on the candidates. Applications will not be considered in case of non-submission of Equivalence Certificate, as appropriate, by the closing date.

2. Candidates should produce written evidence of any experience/knowledge claimed.

3. Candidates are not required to enclose photocopies of their National Identity Card, Academic/Technical qualifications when submitting their application forms but these should be available and produced when convened for a Verification of Documents/Interview.

4. Candidates may be requested to submit a Certificate of Character.

5. Candidates may be outposted to any sub office of the Local Authority.

IV. ROLE AND RESPONSIBILITIES:

To be responsible to the Chief Executive for:

(i) the supervision, management and maintenance of discipline of the staff falling under his responsibility;

(ii) the implementation and application of the relevant parts of:

(a) the Building Act;

(b) the Road Act;

(c) the Local Government Act;

(d) the Town and Country Planning Act; and

(e) Business Facilitation Act

(iii) the proper maintenance of equipment and proper use of materials;

(iv) ensuring that the administrative, stores and financial procedures relating to civil engineering and building contracts are properly followed; and

(v) the preparation of bids/evaluation for all projects of the Council and assist in formulation of policies in respect of buildings and civil engineering projects.
V. **DUTIES:**

1. To advise the Council on:
   
   (i) engineering matters and implement its decision; and
   
   (ii) financial aspect of projects.

2. To guide, supervise and coordinate the work of the Civil Engineers and inspectorate staff of the Council.

3. To submit progress reports to the Council, Committees and Chief Executive.

4. To monitor and streamline execution of all maintenance works and issues within the various sections falling under the jurisdiction of the Council.

5. To ensure proper management and use of funds.

6. To prepare budget estimates for building and civil engineering projects.

7. To ensure that budget expenditure for building projects are properly monitored.

8. To ensure the proper monitoring and co-ordination of the progress of civil engineering projects.

9. To ensure the proper follow up and regular assessment of the state of infrastructure falling under the responsibility of the Council.

10. To review reports from Consultants and to co-ordinate the works of these Consultants on progress of the Council.

11. To ensure that assessment of Buildings and projects is carried out prior to delivery of Building and Land Use Permits.

12. To devise and ensure the implementation of training programmes for the Technical Staff of the Engineering and Public Infrastructure Department.

13. To discuss with organisations in connection with the financing of projects.

14. To represent the Council on Boards and Committees.

15. To consult the Legal Adviser as and when required.

16. To use ICT in the performance of his duties.

17. To perform such other duties directly related to the main duties listed above or related to the delivery of output and results expected from incumbents in the roles ascribed to them according to their posting.
