

LOCAL GOVERNMENT SERVICE COMMISSION

Communiqué

Extension of Closing Dates for Submission of Applications

In view of the COVID 19 pandemic and the complete lockdown of the upper Plaine Wilhems region, the Commission wishes to inform the public and the local government officers that all posts already advertised and for which the closing dates are fixed **after** the coming into force of the confinement will have such closing dates exceptionally extended until further notice.

This measure will, however, not apply for posts whose closing dates have already been reached prior to the introduction of the confinement.
